## Disclaimer and Disclosures

Cumberland Securities Company, Inc. (the "Advisor") is registered as a Municipal Advisory firm with the U.S. Securities and Exchange Commission (the "SEC") and the Municipal Securities Rulemaking Board (the "MSRB"). A municipal advisory client brochure is posted on the website of the Municipal Securities Rulemaking Board ([www.msrb.org](http://www.msrb.org)) that describes the protections that may be provided by the Municipal Securities Rulemaking Board rules and how to file a complaint with an appropriate regulatory authority. The Advisor will maintain all required registrations with the SEC and the MSRB and the Advisor will disclose any legal or disciplinary events, including information about any criminal actions, regulatory actions, investigations, terminations, judgments, liens, civil judicial actions, customer complaints, arbitrations and civil litigation, and other detailed information. The Issuer may electronically access the Advisor's most recent Form MA and each employee's most recent Form MA-I filed with the Commission at <https://www.sec.gov/edgar/searchedgar/companysearch.html>. As of the date hereof, Cumberland Securities Company, Inc. has never had legal or disciplinary event.

The Advisor hereby discloses that it generally operates under a contingent fee form of compensation. Under a contingent fee form of compensation, payment of the Municipal Advisor's fee is dependent upon the successful completion of a financing or other transaction. Although this form of compensation may be customary for the Issuer, it presents a conflict because the Advisor may have an incentive to recommend unnecessary financings or financings that are disadvantageous to the client. All recommended financings are reviewed by the firm to confirm that they are suitable for each client. Upon execution of a Municipal Advisory Agreement, the Advisor will have a legally binding fiduciary responsibility to put the financial interests of the Issuer before its own. The Advisor hereby discloses that the determination of any municipal advisory fee or other compensation will be mutually agreeable between the Issuer and the Advisor pursuant to a Fee Letter.

The Advisor hereby discloses that it receives the use of a Bloomberg license courtesy of Raymond James and Associates. The use of this license is not contingent upon any specific existing or future business. All recommended financings and investments are reviewed by the firm to confirm that they are suitable for each client.

## Disclaimer and Disclosures

Cumberland Securities Company, Inc. (the "Advisor") is registered as a Municipal Advisory firm with the U.S. Securities and Exchange Commission (the "SEC") and the Municipal Securities Rulemaking Board (the "MSRB"). A municipal advisory client brochure is posted on the website of the Municipal Securities Rulemaking Board ([www.msrb.org](http://www.msrb.org)) that describes the protections that may be provided by the Municipal Securities Rulemaking Board rules and how to file a complaint with an appropriate regulatory authority. The Advisor will maintain all required registrations with the SEC and the MSRB and the Advisor will disclose any legal or disciplinary events, including information about any criminal actions, regulatory actions, investigations, terminations, judgments, liens, civil judicial actions, customer complaints, arbitrations and civil litigation, and other detailed information. The Issuer may electronically access the Advisor's most recent Form MA and each employee's most recent Form MA-I filed with the Commission at <https://www.sec.gov/edgar/searchedgar/companysearch.html>. As of the date hereof, Cumberland Securities Company, Inc. has never had legal or disciplinary event.

The Advisor hereby discloses that it generally operates under a contingent fee form of compensation. Under a contingent fee form of compensation, payment of the Municipal Advisor's fee is dependent upon the successful completion of a financing or other transaction. Although this form of compensation may be customary for the Issuer, it presents a conflict because the Advisor may have an incentive to recommend unnecessary financings or financings that are disadvantageous to the client. All recommended financings are reviewed by the firm to confirm that they are suitable for each client. Upon execution of a Municipal Advisory Agreement, the Advisor will have a legally binding fiduciary responsibility to put the financial interests of the Issuer before its own. The Advisor hereby discloses that the determination of any municipal advisory fee or other compensation will be mutually agreeable between the Issuer and the Advisor pursuant to a Fee Letter.

The Advisor hereby discloses that it receives the use of a Bloomberg license courtesy of Raymond James and Associates. The use of this license is not contingent upon any specific existing or future business. All recommended financings and investments are reviewed by the firm to confirm that they are suitable for each client.

This presentation/report may contain "forward-looking" information. Such information may include, but not be limited to, projections, forecasts or estimates of cash flows, interest rate coupons, yields or potential debt service savings, scenario analyses and Approved or expected debt portfolio composition. Any forward-looking information is based upon certain assumptions about future events or conditions and is intended only to illustrate hypothetical results under those assumptions (not all of which are specified herein or can be ascertained at this time). It does not represent actual results that may be available to you. Actual events or conditions are unlikely to be consistent with, and may differ significantly from, those assumed.

IRS Circular 230 Disclosure: The Advisor and its employees are not in the business of providing, and do not provide, tax or legal advice. Any statements in this presentation regarding tax matters were not intended or written to be used, and cannot be used or relied upon, by any taxpayer for the purpose of avoiding tax penalties.
