B. Records Custodian

1. Upon receiving a public records request, a records custodian shall promptly make requested public records available in accordance with Tenn. Code Ann. § 10-7-503. If the records custodian is uncertain that an applicable exemption applies, the custodian may consult with the PRRC, counsel, or the OORC.
2. If not practicable to promptly provide requested records because additional time is necessary to determine whether the requested records exist; to search for, retrieve, or otherwise gain access to records; to determine whether the records are open; to redact records; or for other similar reasons, then a records custodian shall, within seven (7) business days from the records custodian's receipt of the request, send the requestor a completed Public Records Request Response Form
3. If a records custodian denies a public record request, he or she shall deny the request in writing as provided in Section III.A.2.b using the Public Records Request Response Form
4. If a records custodian reasonably determines production of records should be segmented because the records request is for a large volume of records, or additional time is necessary to prepare the records for access, the records custodian shall use the Public Records Request Response Form to notify the requestor that production of the records will be in segments and that a records production schedule will be provided as expeditiously as practicable. If appropriate, the records custodian should contact the requestor to see if the request can be narrowed.
5. If a records custodian discovers records responsive to a records request were omitted, the records custodian should contact the requestor concerning the omission and produce the records as quickly as practicable.

C. Redaction

1. If a record contains confidential information or information that is not open for public inspection, the records custodian shall prepare a redacted copy prior to providing access. If questions arise concerning redaction, the records custodian should coordinate with counsel or other appropriate parties regarding review and redaction of records. The records custodian and the PRRC may also consult with the OORC.
2. Whenever a redacted record is provided, a records custodian should provide the requestor with the basis for redaction. The basis given for redaction shall be general in nature and not disclose confidential information.

I. Inspection of Records

1. There shall be no charge for inspection of open public records.
2. The location for inspection of records within the offices of Jefferson County should be determined by either the PRRC or the records custodian.
3. Under reasonable circumstances, the PRRC or a records custodian may require an appointment for inspection or may require inspection of records at an alternate location.

J. Copies of Records

1. A records custodian shall promptly respond to a public record request for copies in the most economic and efficient manner practicable.
2. Copies will be available for pickup at a location specified by the records custodian.
3. Upon payment for postage, copies will be delivered to the requestor's home address by the United States Postal Service.
4. A requestor will not be allowed to make copies of records with personal equipment.

VI. Fees and Charges and Procedures for Billing and Payment

1. Fees and charges for copies of public records should not be used to hinder access to public records.
2. Records custodians shall provide requestors with an itemized estimate of the charges prior to producing copies of records and may require pre-payment of such charges before producing requested records.
3. Fees and charges for copies are as follows:
 - a. \$0.15 per page for letter- and legal-size black and white copies.

4. Payment is to be made either in cash or by personal check payable to Jefferson County presented to the records custodian.

5. Aggregation of Frequent and Multiple Requests

- a. Jefferson County will aggregate record requests in accordance with the Frequent and Multiple Request Policy promulgated by the OORC when more than (4) requests are received within a calendar month (either from a single individual or a group of individuals deemed working in concert).
- b. Aggregating:
 - The level at which records requests will be aggregated is county wide.
 - The PRRC is responsible for making the determination that a group of individuals are working in concert. The PRRC or the records custodian must inform the individuals that they have been deemed to be working in concert and that they have the right to appeal the decision to the OORC.
 - Request for items that are routinely released and readily accessible, such as agendas for current calendar month meetings and approved minutes from meetings held in the previous calendar month, shall not be counted in the aggregated requests.
